Update from the West Prince Chamber.

Hello everyone! On behalf of the West Prince Chamber of Commerce Board of Directors, we would like to extend our greetings to you, your staff and family this Holiday Season!

West Prince is very fortunate to have so many people with such a sense of community - we look after our own and so many others throughout the year! Together, we can make great things happen. Let's continue to communicate ideas and grow our business community for generations to come!

The Chamber wants to be the catalyst for growth in the West Prince area. We want to welcome new comers, help businesses reach their potential and build networks. We encourage you to step outside of your own community and get to know what's going on!

In today's business world; it takes time to build relationships and form Trust; just as it does in life! Being part of a Team you have to work together, communicate and trust that your team mate will do the right thing!

Let's take the time to reflect on all the positive things West Prince has accomplished. Let's make 2018 another memorable year and build each other up and boost confidence in one another! West Prince needs more champions! Now is the time to start celebrating!
