

# Information for visitors to Prince Edward Island and Island residents returning home.

## EFFECTIVE JUNE 17, 2021

**Apply for a PEI Pass** at [princeedwardisland.ca/peipass](http://princeedwardisland.ca/peipass) for faster screening at PEI points of entry

- PEI Pass verifies you are fully or partially vaccinated and not required to self-isolate when you visit or return to PEI
- To qualify for a PEI Pass, you must have one dose of COVID-19 vaccine at least 21 days prior to travel (*age 12 to 15 are eligible any time after their first vaccine until July 31*)
- A separate application is required for each vaccinated person aged 12 and over
- Parents/guardians must complete application for children under 18 who are traveling with them
- PEI Pass can be used multiple times

## EFFECTIVE JUNE 17, 2021

- Shortened (*8 day*) self-isolation for travel to PEI from within Canada (*subject to a negative test on day 8*)

Apply for a

[PrinceEdwardIsland.ca/PEIPass](http://PrinceEdwardIsland.ca/PEIPass)
